Barnersville Family Literacy Membership Form

How to become a family for literacy – Just join the BFL!

The purpose of the Barnersville Family Literacy membership is:

1. To build a strong interest within the community for volunteers who are interested in providing their time and support.
2. To engage contributors who are interested in providing their ideas and monetary gifts for the overall support for education and leadership.

We love the term 'Family' instead of 'Friends' because the term signifies togetherness, compassion, and warmth.

The family literacy is open to everyone who has a love for learning and stimulating children's minds. Joining is simple: Just fill out the form below and send it with your donation to the address below.
